Dear Reader:

Enclosed is the Proposed Land Use Plan Amendment (LUPA) and Final Environmental Impact Statement (FEIS) for the Desert Renewable Energy Conservation Plan (DRECP). The Proposed LUPA/FEIS was prepared by the Bureau of Land Management (BLM) in consultation with the United States Fish and Wildlife Service, the California Energy Commission, the California Department of Fish and Wildlife, and other government agencies and organizations, and affected tribal governments, taking into account public comments received during this planning effort. The purpose of the Proposed LUPA is to amend the California Desert Conservation Area (CDCA) Plan, and the Bakersfield and Bishop Resource Management Plans (RMPs) to provide a streamlined process for the development of utility-scale renewable energy generation and transmission consistent with federal and state renewable energy targets and policies, while simultaneously providing for the long-term conservation and management of special-status species and vegetation types as well as other physical, cultural, scenic, and social resources within the Plan area.

Pursuant to BLM's planning regulations at 43 CFR 1610.5-2, any person who participated in the planning process for this Proposed LUPA and has an interest which is or may be adversely affected by the planning decisions may protest approval of the planning decisions contained therein. The Proposed LUPA and FEIS are open for a 30-day protest period beginning on the date the Environmental Protection Agency published the notice of receipt of the FEIS containing the LUPA in the Federal Register.

For further information on filing a protest, please see the accompanying protest regulations in the pages that follow (labeled as Attachment 1). The regulations specify the required elements of your protest. Take care to document all relevant facts. As much as possible, reference or cite the planning documents or available planning records (e.g. meeting minutes or summaries, correspondence, etc.).

Emailed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular mail or overnight delivery postmarked by the close of the protest period. Under these conditions, the BLM will consider the emailed protest as an advance copy and will afford it full consideration. If you wish to provide the BLM with such advance notification, please direct emailed protests to: protest@blm.gov.

All protests must be in writing and mailed to one of the following addresses:

Regular Mail:

Director (210)
Attn: Protest Coordinator
P.O. Box 71383
Washington, D.C. 20024-1383

Overnight Delivery:

Director (210)
Attn: Protest Coordinator
20 M Street SE, Room 2134LM
Washington, D.C. 20003

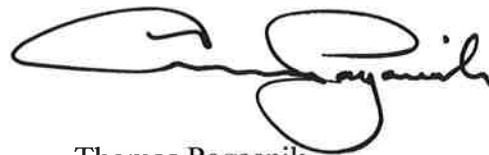

All protests must be postmarked on or before the close of the protest period. The protest period will close 30 days after the date the Environmental Protection Agency published notice of the receipt of the FEIS containing the LUPA in the Federal Register. The protest period will be posted online at www.drecp.org.

Before including your address, phone number, email address, or other personal identifying information in your protest, be advised that your entire protest – including your personal identifying information – may be made publicly available at any time. While you can ask us in your protest to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

The BLM Director will make every attempt to promptly render a decision on each protest. The decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested. The decision of the BLM Director shall be the final decision of the Department of the Interior on each protest. Responses to protest issues will be compiled and formalized in a Director's Protest Resolution Report made available following issuance of the decisions.

Upon resolution of all land use plan protests, the BLM will issue a Record of Decision (ROD). The ROD will be available to all parties at www.drecp.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'Thomas Pogacnik', written in a cursive style.
