California Energy Commission DOCKETED 09-RENEW EO-1
TN # 74517 FEB 13 2015

To Whom it May Concern,

I enjoy exploring our wonderful desert areas in my Jeep. I always stay on established roads and never go "cross-country" to avoid hurting any desert animals or plants.

Please keep our beautiful desert open to the public. It is too vast an area to limit access to walking only.

Thanks,
