

Appendix U

List of Preparers

U LIST OF PREPARERS AND ORGANIZATIONS AND PERSONS CONSULTED

Three tables are presented in this updated appendix. Table U-1 lists the agency and consultant preparers of the DRECP Proposed LUPA and Final EIS, Table U-2 lists the agency and consultant preparers of the Draft DRECP and EIR/EIS, and Table U-3 lists the organizations and persons consulted in preparing the DRECP Proposed LUPA and Final EIS.

U.1 Preparers

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
<i>Bureau of Land Management—NEPA Agency</i>	
Vicki Campbell , DRECP Program Manager	Program Manager, coordination for all disciplines, land use planning, biological resources, renewable energy
Jack Hamby, DRECP Project Manager	Coordination for all disciplines, land use planning, grazing
Sandra McGinnis, CA Planning and Environmental Coordinator	NEPA, land use planning, Multiple Use Class coordination
Elizabeth Meyer-Shields, Planning and Environmental Coordinator	NEPA, land use planning
Mike Sintetos, CA Renewable Energy Lead	Renewable energy, transmission, NEPA
Greg Miller, Supv Resource Management Specialist	Renewable energy, land use planning-CDCA
Lynnette Elser, Planning and Environmental Coordinator	Land use planning, Multiple Use Class coordination
John Dalton, Resource Management Specialist	Land use planning, Multiple Use Class coordination
Susan Porter, Planning and Environmental Coordinator	Land use planning-Bakersfield RMP
Becca Brooke, Supv Resource Management Specialist	Land use planning-Bishop RMP
Russell Scofield, Natural Resource Specialist	Soil, water, and climate change
Amy Fesnock, CA Wildlife Biologist and T&E Lead	Biological resources, wildlife, Special Status Species, ACECs
Jeremiah Karuzas, Wildlife Biologist	Biological resources, wildlife, Special Status Species, ACECs
Christina Lund, CA Botany Lead	Botany, vegetation types, Special Status plants, ACECs
Mark Massar, Wildlife Biologist	Biological resources, ACECs
Miriam Morrill, Climate Change Specialist	Climate change

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
Jim Weigand, Ecologist	Climate change
Mark Conley, CA Wilderness Coordinator	NLCS, wilderness, NSHT
Tim Fisher, CA Wilderness Coordinator	NLCS, lands with wilderness characteristics, visual resources
Brendan O'Connor, Wilderness Specialist Fellow	Lands with wilderness characteristics
Greg Hill, Outdoor Recreation Planner	NLCS
Jane Arteaga, CA OHV Lead	Outdoor recreation, travel management, SRMAs, ERMAs
Jeff Childers, Associate Field Manager, Barstow	Outdoor recreation, travel management, SRMAs, ERMAs
Neil Hamada, Supv Outdoor Recreation Planner	Outdoor recreation, travel management, SRMAs, ERMAs
Tony Overly, CA Cultural Lead	Cultural resources, tribal interests, paleontology, ACECs
Tiffany Arend, Archeologist	Cultural resources, tribal interests, paleontology
Noel Ludwig, Hydrologist	Hydrology, groundwater, water supply
Mark Chatterton, Geologist	Mineral resources
Melinda Moffitt, Planner	Mineral resources
Dave Jones, Physical Scientist	Air quality
Amy Dumas, Wild Horse and Burro Manager	Wild horse and burro management
Karen Montgomery, Lands and Realty Specialist	Lands and realty
Erik Pignata, Lands and Realty Specialist	Lands and realty
Janet Eubanks, Lands and Realty Specialist	Lands and realty
Stewart Allen, Socioeconomic Specialist	Socioeconomics, environmental justice
Lee Neher, GIS Specialist	GIS
Steve Walterscheid, GIS Specialist	GIS
And reviewers in the Washington Office, California State Office, California Desert District, and Bakersfield, Bishop, Barstow, El Centro, Needles, Ridgecrest, and Palm Springs Field Offices: All disciplines	
<i>U.S. Fish and Wildlife Service</i>	
Ken Corey	Assistant Field Supervisor, Palm Springs Field Office
Brian Croft	Biologist, Palm Springs Field Office
Diane Elam	Division Chief, Pacific Southwest Regional Office
Bronwyn Hogan	Senior Energy Biologist, Pacific Southwest Regional Office
Jeness McBride	Division Chief, Palm Springs Field Office

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
<i>California Energy Commission—CEQA Lead Agency</i>	
Scott Flint, DRECP Program Manager	Program Manager, biological resources, renewable energy
Kristy Chew, DRECP Project Manager	DRECP Project Manager / Coordination for all disciplines
Paul Richins, Project Manager	DRECP Project Manager
Gabriel Roark, Cultural Resource Specialist	Cultural resources
Thomas Gates, Cultural Resource Specialist	Cultural resources, tribal interests
David Vidaver, Electric Generation Engineer	Renewable energy
<i>California Department of Fish and Wildlife</i>	
Kevin Hunting	Chief Deputy Director
Steven Ingram	Senior Staff Counsel
<i>DRECP Director</i>	
Chris Beale	Director, DRECP
<i>Aspen Environmental Group</i>	
Suzanne Phinney, Senior Associate	Work Authorization Manager; oversight; reviewer for groundwater, surface water, and public safety
Susan Lee, Vice President	Management Team; CEQA and NEPA direction; reviewer for geology and soils; review and coordination
Emily Capello, Associate	Management team; Author for recreation, Coordinator of Transmission Technical Group; review and coordination
Negar Vahidi, Senior Associate	Socioeconomics, environmental justice, reviewer for land use and BLM lands and realty
Susanne Huerta, Associate Planner	Author, BLM lands and realty; reviewer for land use
Scott Debauche, Senior Associate	Author, socioeconomics and environmental justice
Amy Morris, Senior Associate	Author, agriculture; reviewer for grazing
Elizabeth Bagwell, Senior Associate	Author, cultural resources and Native American concerns
James Birdsall, Senior Associate	Author, air quality, meteorology and climate change, noise, and transportation
Mark Tangard, Associate	Document production
Heather Blair, Senior Associate	Review and support
Fritts Golden, Senior Associate	Reviewer, visual resources
Sandra Alarcon-Lopez, Senior Associate	Author, land use
Sandeep Sabu, Environmental Scientist	Author, geology and soils; review and coordination
Matthew Long, Associate	Author, geology and soils; review and coordination

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
Moselle DiPane, Environmental Scientist	Review and coordination
Richard McCann, Senior Associate	Mitigation cost and funding
Ashley Spalding, Associate Energy Analyst	Mitigation cost and funding
Jennifer Lancaster	Review and coordination
Emmeline Kiyon	Review and coordination
Christian Huntley	Biological resources review
Scott White, Senior Biologist	Biological resources review
Matthew Braun, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Sarah Heffner, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Evan Elliott, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Anton Kozhenikov, Senior Associate	GIS Oversight
Akbar Noorzay, GIS Specialist	GIS
Alex McInturff, Environmental Scientist	GIS; mapping for Transmission Technical Group
Tracy Valentovich, GIS Specialist	GIS
Travis David, GIS Specialist	GIS
<i>Dudek</i>	
June Collins, Executive Vice President	Project Manager
Mike Howard, Senior Biologist	Deputy Project Manager; Lead Conservation Biologist
Phil Behrends, Senior Biologist	Conservation Biologist
Iain Fisher, Biologist	Biologist and Energy Analyst
Katie Dayton, Biologist	Biologist
Scott Gressard, Biologist	Biologist
Jake Marcon, Biologist	Biologist
Dylan Duvergé, Geologist	Paleontological Analyst
Thomas Deméré, Paleontologist	Paleontological Analyst
Mark McGinnis, GIS Coordinator	GIS Database Manager; GIS Data Analyst
Andrew Greis, GIS Technician	GIS Analyst
Steve Taffolla, Senior Technical Editor	Lead Technical Editor
Becky Golden-Harrell, Senior Technical Editor	Technical Editor
Amy Seals, Technical Editor	Technical Editor
Lindsey Messner, Technical Editor	Technical Editor
Anne McDonnel, Technical Editor	Technical Editor
Devin Brookhart, Publications Production Lead	Formatting and Production Lead

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
Lindsey Powers, Publications Specialist	Formatting and Production
David Mueller, Publications Specialist	Formatting and Production
Stephanie Schmidt, Publications Specialist	Formatting and Production
Taylor Eaton, Publications Specialist	Formatting and Production
Daniel Kil, Publications Production Coordinator	Production Lead
Mark Lathram, Technical Publications Lead	Technical Lead
Todd Andersen, Senior Graphics Designer	Graphic Design Lead
<i>RECON Environmental</i>	
Paul Fromer, Principal-in-Charge	HCP and biological resource specialist and technical advisor
Lee Sherwood, Principal	CEQA technical advisor
Lori Woods, Principal	Visual Resources specialist
Lisa Lind, Principal	Resource staff manager
Bobbi Herdes, Principal	CEQA specialist, land use technical advisor
Colby Henley, Project Manager	DOD Lands and Biological Resources
Susy Morales, Project Manager and Senior Technical Specialist	BLM Land Designations, Mineral Resources, Grazing, Wild Horses and Burros, DOD Lands
Lori Spar, Senior Technical Specialist	Land Use
Mark Doderer, Senior Technical Specialist	Biological Resources
Wendy Loeffler, Senior Technical Specialist	Biological Resources
Carmen Zepeda-Herman, Senior Technical Specialist	Cultural and Tribal specialist
Cheri Boucher, Senior Technical Specialist	Biological Resources
Bill Maddux, Senior Technical Specialist	Air Quality, Noise, Meteorology
Donna Steel, Senior Technical Specialist	Land Use
Stephanie Whitmore, Senior Technical Specialist	Public Safety and Services, Land Use, CEQA
Lance Unverzagt, Senior Technical Specialist	Agriculture Resources
Italia Gray, Senior Technical Specialist	Biological Resources, Public Safety and Services
Mike Nieto, Senior Technical Specialist	Biological Resources, Vegetation Communities
Scott Gallic, Senior Technical Specialist	Air Quality, Meteorology
Karyl Palmer, Senior Technical Specialist	Noise
Harry Price, Senior Technical Specialist	Cultural Resources
Dawna De Mars, Senior Technical Specialist	Public Safety and Services
Sharon Wright, Senior Technical Specialist	Land Use, Recreation, editor
Frank McDermott, Senior GIS Specialist	Graphics, Mapping, and Data

Table U-1
List of Preparers of the DRECP Proposed LUPA and Final EIS

Individual/Title	Role/Issue Area
Sean Bohac, Senior GIS Specialist	Graphics, Mapping, and Data
Vincent Martinez, GIS/Graphics Specialist	Graphics and Mapping
Chris Nixon, GIS Specialist	Mapping
Stacey Higgins, Document production	Document Production/Editor
Eija Blocker, Document production	Document Production/Editor
Stephen Gaughran, Document production	Document Production/Editor
Kate Connor	Technical Specialist
Helen Cordier, Data Management	Editor/Administrative Record
<i>HydroFocus Inc.</i>	
John Fio	Author, Groundwater and Water Quality
Dave Leighton	Data Analysis and Mapping
<i>Kessler and Associates LLC</i>	
John Kessler, P.E.	Author / Surface water hydrology

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
<i>California Energy Commission—CEQA Lead Agency</i>	
Scott Flint, DRECP Program Manager	Program Manager, biological resources, renewable energy
Kristy Chew, DRECP Project Manager	DRECP Project Manager / Coordination for all disciplines
Paul Richins, Project Manager	DRECP Project Manager
Misa Milliron, Biologist	Biological resources
Carol Watson, Biologist	Biological resources
Andrea Martine, Biologist	Biological resources
David Stoms, Research Scientist	Climate change
Gabriel Roark, Cultural Resource Specialist	Cultural resources
Thomas Gates, Cultural Resource Specialist	Cultural resources, tribal interests
Casey Weaver, Engineering Geologist	Geology, soils, mineral, and paleontological resources
Mark Hamblin, Planner	Land use
Wenjun Qian, Air Resources Engineer	Meteorology
Shahab Khoshmashrab, Mechanical Engineer	Noise
Ann Chu, Air Resources Engineer	Public safety
Geoffrey Lesh, Mechanical Engineer	Public safety

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
David Vidaver, Electric Generation Engineer	Renewable energy
Lisa Worrall, Planner	Socioeconomics, environmental justice
James Adams, Planner	Transportation, visual resources
Mike Conway, Engineering Geologist	Water resources
<i>Bureau of Land Management—NEPA Co-Lead Agency</i>	
Vicki Campbell , DRECP Program Manager	Program Manager, coordination for all disciplines, land use planning, biological resources, renewable energy
Jack Hamby, DRECP Project Manager	Coordination for all disciplines, land use planning, grazing
Sandra McGinnis, CA Planning and Environmental Coordinator	NEPA, land use planning, Multiple Use Class coordination
Elizabeth Meyer-Shields, Planning and Environmental Coordinator	NEPA, land use planning
Mike Sintetos, CA Renewable Energy Lead	Renewable energy, transmission, NEPA
Lynnette Elser, Planning and Environmental Coordinator	Land use planning, Multiple Use Class coordination
John Dalton, Resource Management Specialist	Land use planning, Multiple Use Class coordination
Susan Porter, Planning and Environmental Coordinator	Land use planning
Nicollee Gaddis, Planning and Environmental Coordinator	Land use planning
Russell Scofield, Natural Resource Specialist	Land use plan implementation, climate change
Amy Fesnock, CA Wildlife Biologist and T&E Lead	Biological resources, wildlife, sensitive species
Christina Lund, CA Botany Lead	Botany, vegetation communities, sensitive plants
Christopher Otahal, Wildlife Biologist	Biological resources, land use planning
Joy Fatooh, Wildlife Biologist	Biological resources, NLCS, land use planning
Shelley Ellis, Wildlife Biologist	Biological resources
Caroline Woods, Wildlife Biologist	Biological resources
Mark Massar, Wildlife Biologist	Biological resources
Jim Weigand, Ecologist	Ecological processes, climate change, biological resources
Bob Wick, Natural Resource Specialist	NLCS, visual resources, wilderness, wilderness study areas
Mark Conley, CA Wilderness Coordinator	NLCS, wilderness, wilderness study areas, visual resources
Greg Hill, Outdoor Recreation Planner	NLCS, visual resources

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
Jane Arteaga, CA OHV Lead	Outdoor recreation, travel management
Mike Ahrens, Supervisory. Outdoor Recreation Planner	Outdoor recreation, land use planning
Brian Bellew, Outdoor Recreation Planner	Outdoor recreation, visual resources
Martha Dickes, Outdoor Recreation Planner	Outdoor recreation
Tony Overly, CA Cultural Lead	Cultural resources, tribal interests, paleontology
Ashley Blythe, Archeologist	Cultural resources, tribal interests, paleontology
Christine McCollum, Archeologist	Cultural resources, tribal interests, paleontology
Pete Godfrey, Hydrologist	Hydrology, groundwater, water supply
Noel Ludwig, Hydrologist	Hydrology, groundwater, water supply
Steve Kupferman, Geologist	Mineral resources, geothermal
Sara Acridge, Natural Resource Specialist	Mineral resources, geothermal
Sean Hagerty, Geologist	Mineral resources, geothermal
James Haerter, Geologist	Mineral resources, geothermal
Marc Springer, Geologist	Geothermal
Dave Jones, Physical Scientist	Air quality
Diana Brink, Natural Resource Specialist	Range conservation, grazing
Amy Dumas, Wild Horse and Burro Manager	Wild horse and burro management
Dan Krekelberg, Lands and Realty Specialist	Lands and realty
Stewart Allen, Socioeconomic Specialist	Socioeconomics, environmental justice
Lee Neher, GIS Specialist	GIS
Steve Walterscheid, GIS Specialist	GIS
Vincent Lincoln, GIS Specialist	GIS
And reviewers in the Washington Office, California State Office, California Desert District, and Bakersfield, Bishop, Barstow, El Centro, Needles, Ridgecrest, and Palm Springs Field Offices, and Nevada State Office: All disciplines	
<i>U.S. Fish and Wildlife Service—NEPA Co-Lead Agency</i>	
Ashleigh Blackford	Senior Energy Biologist, Pacific Southwest Regional Office
Amedee Brickey	Deputy Division Chief, Migratory Birds, Pacific Southwest Regional Office
Ken Corey	Assistant Field Supervisor, Palm Springs Field Office
Dan Cox	HCP Coordinator, Pacific Southwest Regional Office
Brian Croft	Biologist, Palm Springs Field Office
Diane Elam	Division Chief, Pacific Southwest Regional Office
Jody Fraser	Biologist, Palm Springs Field Office
Chris Gregory	Biologist, Palm Springs Field Office

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
Jane Hendron	Public Affairs Specialist, Carlsbad Fish and Wildlife Office
Bronwyn Hogan	Senior Energy Biologist, Pacific Southwest Regional Office
Jenness McBride	Division Chief, Palm Springs Field Office
Pete Sorensen	Division Chief, Palm Springs Field Office
<i>California Department of Fish and Wildlife—Responsible Agency Under CEQA</i>	
Kevin Hunting	Chief Deputy Director
William Condon	Program Manager
Jesse Garcia	Staff Environmental Scientist
Serge Glushkoff	Staff Environmental Scientist
Stuart Itoga	Staff Environmental Scientist
Steven Ingram	Senior Staff Counsel
Diane Mastalir	Research Program Specialist
Randi Logsdon	Environmental Scientist
Elliot Chasin	Environmental Scientist
<i>California State Lands Commission—Responsible Agency Under CEQA</i>	
Jennifer DeLeon	Project Manager/CEQA/Land Use/all areas
Mara Noelle	Deputy Project Manager/ Biology/all areas
Jim Porter	Land Management Specialist/Leasing and Land Use
Greg Pelka	Mineral Engineer/Minerals/Mining/Geothermal
Ricky Lee	Mineral Engineer/Minerals/Mining/GIS
<i>Department of Defense—NEPA Cooperating Agency</i>	
Steve U. Chung	Military mission impacts and mitigations
Anthony M. Parisi	Military mission impacts and mitigations
Scott E. Kiernan	Military mission impacts and mitigations
Steven L. Arenson	Military mission impacts and mitigations
Ned McKinley	Military mission impacts and mitigations
Lieutenant Colonel Richard D. Callahan	Military mission impacts and mitigations
<i>DRECP Directors</i>	
David Harlow	Director, DRECP (former)
Chris Beale	Director, DRECP (current)
<i>Aspen Environmental Group</i>	
Suzanne Phinney, Senior Associate	Work Authorization Manager; oversight; reviewer for groundwater, surface water, and public safety

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
Susan Lee, Vice President	Management Team; CEQA and NEPA direction; reviewer for geology and soils; review and coordination
Emily Capello, Associate	Management team; Author for recreation, Coordinator of Transmission Technical Group; review and coordination
Negar Vahidi, Senior Associate	Socioeconomics, environmental justice, reviewer for land use and BLM lands and realty
Susanne Huerta, Associate Planner	Author, BLM lands and realty; reviewer for land use
Scott Debauche, Senior Associate	Author, socioeconomics and environmental justice
Amy Morris, Senior Associate	Author, agriculture; reviewer for grazing
Elizabeth Bagwell, Senior Associate	Author, cultural resources and Native American concerns
James Birdsall, Senior Associate	Author, air quality, meteorology and climate change, noise, and transportation
Mark Tangard, Associate	Document production
Heather Blair, Senior Associate	Review and support
Fritts Golden, Senior Associate	Reviewer, visual resources
Sandra Alarcon-Lopez, Senior Associate	Author, land use
Sandeep Sabu, Environmental Scientist	Author, geology and soils; review and coordination
Moselle DiPane, Environmental Scientist	Review and coordination
Richard McCann, Senior Associate	Mitigation cost and funding
Ashley Spalding, Associate Energy Analyst	Mitigation cost and funding
Jennifer Lancaster	Review and coordination
Emmeline Kiyon	Review and coordination
Christian Huntley	Biological resources review
Scott White, Senior Biologist	Biological resources review
Matthew Braun, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Sarah Heffner, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Evan Elliott, Cultural Resources Specialist	Support for cultural resources and Native American concerns
Anton Kozhenikov, Senior Associate	GIS Oversight
Akbar Noorzay, GIS Specialist	GIS
Alex McInturff, Environmental Scientist	GIS; mapping for Transmission Technical Group
Tracy Valentovich, GIS Specialist	GIS
Travis David, GIS Specialist	GIS

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
<i>Dudek</i>	
June Collins, Executive Vice President	Project Manager
Mike Howard, Senior Biologist	Deputy Project Manager; Lead Conservation Biologist
Phil Behrends, Senior Biologist	Conservation Biologist
Iain Fisher, Biologist	Biologist and Energy Analyst
Katie Dayton, Biologist	Biologist
Karen Mullen, Biologist	Biologist
Melissa Blundell, Biologist	Biologist
Scott Gressard, Biologist	Biologist
Andy Thomson, Environmental Analyst	Habitat Restoration Specialist
Austin Melcher, Analyst	Environmental Analyst
Joe Monaco, Division Manager	Conservation Planner
Dylan Duvergé, Geologist	Paleontological Analyst
Thomas Deméré, Paleontologist	Paleontological Analyst
Mark McGinnis, GIS Coordinator	GIS Database Manager; GIS Data Analyst
Lisa Lubeley, GIS Manager	GIS Analyst
Andrew Greis, GIS Technician	GIS Analyst
Steve Taffolla, Senior Technical Editor	Lead Technical Editor
Becky Golden-Harrell, Senior Technical Editor	Technical Editor
Amy Seals, Technical Editor	Technical Editor
Devin Brookhart, Publications Production Lead	Formatting and Production Lead
Lindsey Messner, Publications Assistant	Formatting and Production Assistant
Ellie Choa, Publications Assistant	Formatting and Production Assistant
Mark Lathram, Technical Publications Lead	508 Compliance and Technical Lead
Todd Andersen, Senior Graphics Designer	Graphic Design Lead
<i>RECON Environmental</i>	
Paul Fromer, Principal-in-Charge	HCP and biological resource specialist and technical advisor
Lee Sherwood, Principal	CEQA technical advisor
Lori Woods, Principal	Visual Resources specialist
Lisa Lind, Principal	Resource staff manager
Bobbi Herdes, Principal	CEQA specialist, land use technical advisor
Colby Henley, Project Manager	DOD Lands and Biological Resources
Susy Morales, Project Manager and Senior Technical Specialist	BLM Land Designations, Mineral Resources, Grazing, Wild Horses and Burros, DOD Lands
Lori Spar, Senior Technical Specialist	Land Use

Table U-2
List of Preparers of the Draft DRECP and EIR/EIS

Individual/Title	Role/Issue Area
Mark Dodero, Senior Technical Specialist	Biological Resources
Wendy Loeffler, Senior Technical Specialist	Biological Resources
Carmen Zepeda-Herman, Senior Technical Specialist	Cultural and Tribal specialist
Cheri Boucher, Senior Technical Specialist	Biological Resources
Bill Maddux, Senior Technical Specialist	Air Quality, Noise, Meteorology
Donna Steel, Senior Technical Specialist	Land Use
Stephanie Whitmore, Senior Technical Specialist	Public Safety and Services, Land Use, CEQA
Lance Unverzagt, Senior Technical Specialist	Agriculture Resources
Italia Gray, Senior Technical Specialist	Biological Resources, Public Safety and Services
Mike Nieto, Senior Technical Specialist	Biological Resources, Vegetation Communities
Scott Gallic, Senior Technical Specialist	Air Quality, Meteorology
Karyl Palmer, Senior Technical Specialist	Noise
Harry Price, Senior Technical Specialist	Cultural Resources
Dawna De Mars, Senior Technical Specialist	Public Safety and Services
Sharon Wright, Senior Technical Specialist	Land Use, Recreation, editor
Frank McDermott, Senior GIS Specialist	Graphics, Mapping, and Data
Sean Bohac, Senior GIS Specialist	Graphics, Mapping, and Data
Vincent Martinez, GIS/Graphics Specialist	Graphics and Mapping
Chris Nixon, GIS Specialist	Mapping
Stacey Higgins, Document production	Document Production/Editor
Eija Blocker, Document production	Document Production/Editor
Stephen Gaughran, Document production	Document Production/Editor
Kate Connor	Technical Specialist
Helen Cordier, Data Management	Editor/Administrative Record
<i>HydroFocus Inc.</i>	
John Fio	Author, Groundwater and Water Quality
Dave Leighton	Data Analysis and Mapping
<i>Kessler and Associates LLC</i>	
John Kessler, P.E.	Author / Surface water hydrology
<i>Conservation Biology Institute</i>	
James Strittholt, Senior Scientist	Biological resources, climate change, adaptive management
Dominique Bachelet, Senior Scientist	Climate Change appendix

U.2 Organizations and Persons Consulted

**Table U-3
Organizations and Persons Consulted for the Draft DRECP and EIR/EIS**

Resource Topic	Person or Organization Consulted	
	Name, Organization	Topic of Consultation
III.4, IV.4, Geology and Soils	Pete Godfrey, BLM CA Desert District	Areas of corrosive soils and sand transport corridors
III.5, IV.5, Flood, Hydrology and Drainage Areas	Serge Glushkoff, CA Department of Fish and Wildlife	Characterization of surface water features and methods for assessment of impacts
III.6, IV.6, Groundwater, Water Supply, and Water Quality	Pete Godfrey, BLM CA Desert District	Groundwater basin characterizations, and conservation management actions.
III.6, IV.6, Groundwater, Water Supply, and Water Quality	Noel A. Ludwig, BLM CA Desert District	Groundwater basin characterizations, and conservation management actions.
III.6, IV.6, Groundwater, Water Supply, and Water Quality	Mike Conway, CEC	Groundwater basin characterizations, conservation management actions, renewable energy water use by technology type, and groundwater impact assessment.
III.6, IV.6, Groundwater, Water Supply, and Water Quality	Mike Conway, CEC	Groundwater basin characterizations, conservation management actions, renewable energy water use by technology type, and groundwater impact assessment.
III.6, Groundwater, Water Supply, and Water Quality	Alan L. Flint, USGS, Sacramento CA	Simulated precipitation recharge for Mojave Desert Region.
III.8, IV.8, Cultural Resources	Tony Overly, BLM California, Archeologist Rolla Queen, BLM California Desert District, Archaeologist	Cultural resources assessment and Clarification of comments on text, references and source material for text revisions
III.8, IV.8, Cultural Resources	Thomas Gates, CEC	Clarification of comments on text, references and source material for text revisions
III.8, IV.8, Cultural Resources	Rolla Queen, BLM California Desert District, Archaeologist	Cultural resources assessment
III.8, IV.8, Cultural Resources	Matthew Braun, CEC	Source material for text revisions
III.8, IV.8, Cultural Resources	Kathleen Forrest, California State Historic Preservation Office	Clarification regarding state and federal regulations and effective mitigation measure language
III.8, IV.8, Cultural Resources	Jessica Tudor, California State Historic Preservation Office	Clarification regarding state and federal regulations and effective mitigation measure language

**Table U-3
Organizations and Persons Consulted for the Draft DRECP and EIR/EIS**

Resource Topic	Person or Organization Consulted	
	Name, Organization	Topic of Consultation
III.9, IV.9, Native American Interests	Tony Overly, BLM California, Archeologist	Native American tribes and clarification of comments on text, references and source material for text revisions
III.9, IV.9, Native American Interests	Thomas Gates, CEC	Clarification of comments on text, references and source material for text revisions
III.9, IV.9, Native American Interests	Thomas King, PhD	Environmental Justice and Native American Interests, interpretation of regulatory guidance
III.9, IV.9, Native American Interests	Matthew Braun, CEC	Source material for text revisions
III.9, IV.9, Native American Interests	Kathleen Forrest, California State Historic Preservation Office	Clarification regarding state and federal regulations and Effective mitigation measure language
III.9, IV.9, Native American Interests	Jessica Tudor, California State Historic Preservation Office	Clarification regarding state and federal regulations and Effective mitigation measure language
III.10 Paleontological Resources	Casey W. Weaver, CEG Engineering Geologist California Energy Commission	Obtain buy-in on proposed approach to mapping and identifying the PFYC Classes within Plan Area
III.10 Paleontological Resources	Stephen (Casey) Overly, BLM	Obtain buy-in on proposed approach to mapping and identifying the PFYC Classes within Plan Area
III.10 Paleontological Resources	Phil Gensler, BLM Zone Paleontologist	Obtain buy-in on proposed approach to mapping and identifying the PFYC Classes within Plan Area
III.12, IV.12, Agricultural Land and Production	Patrick Hennessy, California Department of Conservation, Division of Land Resource Protection	Unique and Important Farmland, FMMP data
III.13, IV.14, BLM Lands and Realty	Vicki L. Campbell, DRECP Program Manager, BLM California State Office	Guidance on analysis of BLM rights-of-way issues
III.13, IV.14, BLM Lands and Realty	Dan Krekelberg, Realty Specialist, BLM California State Office	Types of BLM rights-of-way in the DRECP area

**Table U-3
Organizations and Persons Consulted for the Draft DRECP and EIR/EIS**

Resource Topic	Person or Organization Consulted	
	Name, Organization	Topic of Consultation
III.14, IV.14, BLM Land Designations	Robert Wick, BLM California, Wilderness, Wild and Scenic River, Visual Resources Program Lead	Wilderness, Wild and Scenic River, National Conservation Lands, Lands with wilderness character
III.14, IV.14, BLM Land Designations	Sandra McGinnis, BLM California State Office, BLM Planning and Environmental Coordinator	BLM Multiple Use Classes
III.14, IV.14, BLM Land Designations	Elizabeth Meyer-Shields, BLM California State Office, Planning and Environmental Coordinator	BLM ACECs, SRMAs, Multiple Use Classes
III.14, IV.14, BLM Land Designations	Vicki Campbell, California State Office, DRECP Program Manager	BLM land designations
III.14, IV.14, BLM Land Designations	Lee Neher, BLM California, GIS Specialist	BLM Lands GIS data
III.14, IV.14, BLM Land Designations	Mark Conley, BLM California, Natural Resources Specialist	Wildlife management areas
III.15, IV.15, Mineral Resources	Elizabeth Meyer-Shields, BLM California State Office, Planning and Environmental Coordinator	Mineral resource areas and impacts
III.15, IV.15, Mineral Resources	Sara Acridge, BLM California State Office, Natural Resources Specialist	Mineral resource areas and impacts
III.15, IV.15, Mineral Resources	James Haerter, BLM California, Geologist	Mineral resource areas, geothermal, impacts
III.15, IV.15, Mineral Resources	Peter Godfrey, BLM California Desert District, Hydrologist	Rare Earth Element areas
III.15, IV.15, Mineral Resources	Mara Noelle, California State Lands Commission	State of California aggregate mineral information, KGRAs, geothermal resources
III.15, IV.15, Mineral Resources	Lee Neher, BLM California, GIS Specialist	Minerals GIS data
III.16, IV.16, Livestock Grazing	Jack Hamby, BLM California, DRECP Project Manager, California State Range/Weeds Program Lead	Grazing allotments, grazing policies, grazing leases, impacts
III.16, IV.16, Livestock Grazing	Lee Neher, BLM California, GIS Specialist	Grazing data (GIS)
III.16, IV.16, Livestock Grazing	Mara Noelle, California State Lands Commission	California State grazing leases

**Table U-3
Organizations and Persons Consulted for the Draft DRECP and EIR/EIS**

Resource Topic	Person or Organization Consulted	
	Name, Organization	Topic of Consultation
III.16, IV.16, Livestock Grazing	Jim Porter, California State Lands Commission, Public Land Management Specialist	State grazing lease data
III.17, IV.17, Wild Horses and Burros	Jack Hamby, BLM California, DRECP Project Manager, California State Range/Weeds Program Lead	Herd Management Areas and herd area data and impacts
III.18, IV.18, Outdoor Recreation	Sandra McGinnis, BLM California State Office, BLM Planning and Environmental Coordinator	SRMA and ERMA data
III.18, IV.18, Outdoor Recreation	Cathi Bailey, BLM California State Office, Recreation Program Lead	SRMA and ERMA data
III.20, IV.20, Visual Resources	Robert Wick, BLM California, Wilderness, Wild and Scenic River, Visual Resources Program Lead	Visual Resources Inventory, Visual Resources Management, visual impacts
III.20, IV.20, Visual Resources	Steve Walterscheid, BLM California, GIS Specialist	GIS data for visual resources
III.23, IV.23, Socioeconomics and Environmental Justice	Stewart Allen, BLM Socioeconomic Specialist AK/OR/CA	Socioeconomics and environmental justice topics
III.23, IV.23, Socioeconomics and Environmental Justice	Lisa Worrall, CEC	Environmental justice
III.24, IV.24, Department of Defense Lands and Operations	Steve Chung, Department of the Navy, San Diego, RCPL0-SW Intergovernmental Branch Head	MCAGCC Expansion Lands, BLM/DOD Shared Use Area Palm Springs
